A vertical form with a light gray background and a thin white border. It contains five input fields, each represented by a dark gray rectangle. The fields are arranged vertically with labels to their left: 'TEXT FIELD', 'BUS ID', 'BUS NAME', 'BUS TYPE', and 'MODEL'. Each label has a horizontal arrow pointing to its corresponding field. Below these fields is a dark gray rectangular button labeled 'ADD' to its right, with an arrow pointing from the button to the label.
